Please note the following clarification regarding Appendix A, Table 4 of RFP 16-011MG-AM:

- The information requested on Table 4 is to be calculated using **only** the number of eligible members of 17,500, as specified in Table 4 instructions. The information in Table 4 is then to be used to calculate the costs in Table 1 for Years 1, 2, 3, and 4.
- It is understood that due to an increase of employees eligible for service in Year 2, the real numbers will change in subsequent years. However for the cost tabulation of Appendix A in this RFP, use **ONLY** the eligible members number of 17,500 as specified.
