BID NUMBER: 25-052MS

BID TITLE: PEST CONTROL SERVICES

ADDENDUM NUMBER: 2

Revision issued to correct Addendum language from RFP number and RFP Title to BID number and BID Title.

Please see Questions and Answers.

Question: I am currently a vendor/contractor with APS. Does this mean I am also registered with APS or do I need to do something else to be compliant with the bid?

Response: Registered vendor in the Bid means the vendor/contractor needs to be registered with Vendor Registry to be able to upload their bid response. If you are a current vendor with APS, this does not exclude you from this provision. All vendors/contractors must be registered with Vendor Registry.

Question: I reached out to Vendor Registry on where to find any Addendums or Amendments to the Bid if they were to show up. Can you please confirm that they will be on the Vendor Registry page titled "Albuquerque Public Schools Sealed Solicitation" page at the bottom directly below "Documents as of 1/30/2025 followed by Bid_No._25_052MS_Pest_Control_Services.pdf.

Response: It is the responsibility of every Bidder to ensure they have downloaded the latest version of each bid, including any addendum(s) which may have been issued and posted on the APS Procurement Department Website. Bidders should revisit the website (<http://www.aps.edu/procurement>) prior to the due date before submitting their bid to Albuquerque Public Schools. All addendums must be acknowledged in the submitted bid.

No Addendum will be issued later than FIVE (5) days prior to the date for receipt of bids, except an Addendum withdrawing the bid or one which extends the date for receipt of bids.

Question: I downloaded the bid and will begin working on it this week, I just want to confirm there is no mandatory meeting?

Response: No mandatory meeting.

Question: Do we need to answer and turn in the BID QUESTIONS form with the bid? I didn't see those as a requirement but they seem like important questions.

Response: yes

Question: When submitting the bid can I attach it in the place as one PDF or are they needing to be separate and labeled as the name of the sheet and attached one by one?

Response: Submitting as one PDF is fine. Note, Price sheets and responses to bid questions must be typed, DO NOT hand write in information, in order for accurate entry on analysis report.
