

Addendum #1  
RFP#19-003DW  
Plumbing Supplies

June 28, 2018

**Questions & Answers:**

1. Can you identify which line items 1 through 22 where you only want a List Discount and which specific line items you only want today's actual sale price?

**All the items on the Bid Pricing Sheet we are looking for a discount from list price percentage. Items 2-21 are some of the most used items in the District and we are looking for what percentage your company can offer plus an actual price for comparison reasons. Items in section 1 are percentage discount from list for each manufacture and item 22 is for any other items not included in the list but you may carry and APS may purchase at a Discount from the catalog pricing.**

2. Item #19 Gas Pressure Regulator-1 does not have an associated list price from our manufacturer, how you would like us to quote this? We can quote an absolute dollar price today but not a Discount from List.

**Quote the absolute dollar price on the form. If that is the best price you can give to APS that is what we will have to go by when we do the evaluation process.**

Include this signed and dated Addendum with your Bid submission. If Bid has already been submitted to APS, email signed and dated Addendum to [Daniel.Dominguez@aps.edu](mailto:Daniel.Dominguez@aps.edu). Addenda Acknowledgement not returned may deem the Bid submission as non-responsive and may be rejected.

Thank you for your interest in Albuquerque Public Schools.
