RFP NUMBER: 25-084SC

RFP TITLE: Point of Sale System for Electronic Ticketing Services and Concessions Sales

ADDENDUM NUMBER: 1

Questions and Answers submitted by deadline:

1. Does APS anticipate expanding its technology needs in the future to include broader school-level financial management capabilities, such as student fee collection, school-based accounting, or centralized financial oversight?

Answer: No

2. Is APS currently considering or planning for a district-wide financial platform that could integrate with the POS system for more comprehensive financial tracking and reporting?

Answer: No

3. Is there interest in solutions that provide a unified parent portal for payments, permissions, and forms, beyond ticketing and concessions?

Answer: No

4. Would APS find value in tools that support district-level compliance, audit trails, and financial transparency across all school-based transactions?

Answer: No

5. Are there any upcoming initiatives or timelines APS could share regarding the modernization or expansion of financial technology systems across the district?

Answer: No

6. Do you expect Ticketor to provide workforce to be on site to sell tickets or scan tickets? Or we just provide the system, and the schools will use the system in a self-service manner?

Answer: No, ticketor is not expected to provide a workforce.

7. We support all types of payment processors (Stripe, Square, Authorize.net, PayPal), and we allow each school or department to use a different payment processor/bank account for direct deposit of sales. Is that what you need, or do you want to use Ticketor's payment processor?

Answer: We currently utilize Stripe.
