BID NUMBER: 27-012MS

RFP TITLE: Supplemental 1 – Delivered Fresh Fruit & Vegetables (Direct Broad Line/Produce Distributors)

ADDENDUM NUMBER: 1

Question 1: How do we respond to line items on the bid for produce that is currently unavailable due to those items being out of season?

Response: If a produce item is currently unavailable because it is out of season, the bidder should indicate "N/A - Out of Season" on the applicable line item. A bidder is not required to provide pricing for an item that is not commercially available during the current growing season. When the item becomes available during its appropriate season, pricing may be requested in accordance with the pricing requirements established in the bid.

Question 2: If we wanted to offer pricing for multiple items that meets one bid line on the pricing spreadsheet, are we allowed to do that?

Response: No additional items shall be added to the pricing sheets; submissions containing unauthorized additions may not be accepted.
