Questions & Answers:

1. It says that samples are required. With the current issues with coronavirus, is the school system able to receive the sample and test it before the bid is awarded?

At this time, if you are bidding something other than the items specified on the bid, I will ask that you please send in the sample for that item. We will be having staff that will test the product before award is made on the bid. All Samples need to be shipped to:

APS Materials Management Warehouse
Attention: Mary Grace Madrid
912 Oak ST SE
Albuquerque, NM 87106...south side where docks are located

2. Will the floor finishes be ordered all at once or as needed?

All items on the bid are on an as needed basis. The numbers are a yearly average and that number may fluctuate each year depending on usage

3. How many facilities will order through this bid?

The orders should be mainly for our warehouse to distribute out to the schools but we do get an occasional school who will order

Include this signed and dated Addendum with your Bid submission. If Bid has already been submitted to APS, email signed and dated Addendum to Daniel.Dominguez@aps.edu. Addenda Acknowledgement not returned may deem the Bid submission as non-responsive and may be rejected.

Thank you for your interest in Albuquerque Public Schools.
