ALBUQUERQUE PUBLIC SCHOOLS – BOARD OF EDUCATION TERMS AND CONDITIONS

Preparation of Bids

Bidders are to comply with all instructions and provide the information requested in the appropriate spaces. Bid prices must be entered in ink or typewritten. Mistakes may be corrected prior to bid opening, but shall be initiated by the person signing the bid. Corrections and/or modifications received after the bid opening time will not be accepted. Bids must be submitted by the date and at, or prior to, the time specified for consideration. Late bids will not be accepted. All bids must be signed by an authorized representative of the company.

Improper identification may result in premature opening of or failure to consider the bid. Bids must be submitted in a sealed envelope. Procurement law requires sealed bids. Therefore, APS cannot accept bids which are transmitted using facsimile equipment.

Albuquerque Public Schools holds a Class 9 Tax Exemption Certificate and is exempt from paying sales tax on tangible personal property. A non-taxable transaction certificate (NTTC) will be provided upon request. Services (including construction or materials that become part of a construction project) are not exempt. The Contractor shall comply with all requirements of the State of New Mexico Gross Receipts Law and shall require all subcontractors to comply with same. Do not include tax in your bid price. Tax must be shown as a separate item on all invoices.

General

Brand Names: It is intended that bid specifications admit maximum competition. Brand names or model numbers, where used, are for reference as to standard of character, quality and/or operation and are not indicative of preference on the part of APS. Equal item(s) will be considered, provided the bid clearly describes the item by brand, model number, level of quality or any other appropriate criteria. Descriptive literature must be included for bid evaluation purposes. Include sample(s) if specifically requested. Failure to provide this information may disqualify your bid. Determination by APS as to what item(s) are equal shall be final and conclusive. When brand, model or other identification is not stated, it shall be understood that the bidder is quoting as specified.

Qualifications of Bidders: APS may make such investigations as necessary to determine the ability of the bidder to perform the work required. Bidder shall furnish all necessary information and data as may be requested. APS reserves the right to reject any bid if the evidence submitted or the investigation of a bidder fails to satisfy APS that the bidder is qualified to perform the obligation of the contract.

Award

Award(s) will be made to the low responsible and responsive bid(s) taking into consideration prior qualifications and capabilities of the bidder, availability of funds and any other relevant factors.

APS reserves the right: (1) to award bids received on the basis of individual item(s), or groups of items, or on the entire list of items; (2) to reject any or all bids, or any part thereof; (3) to waive any informality in the bid(s) and (4) to accept the bid(s) that is in the best interest of APS.

APS will take advantage of prompt payment discounts whenever possible; however, these will not be used as award criteria.

New Mexico procurement law provides for a five percent (5 %) residential preference. A bidder who meets state requirements shall be awarded a contract in preference to a non-resident bidder whenever the resident contractor, whose bid is nearest to the low bid of the non-residential contractor, is made lower when multiplied by a factor of .95. This does not apply when federal funds are being used. Any New Mexico firm claiming preference will insert its residential reference number as issued by the State Purchasing Department in the appropriate space. Provision of the number will be the responsibility of the contractor.

Any bidder, offeror or contractor who is aggrieved in connection with a procurement action may protest to the Albuquerque Public Schools Procurement Department. The protest shall be submitted in writing within fifteen (15) calendar days after the facts or occurrences giving rise thereto.

Bidders are informed that initial orders must be furnished at prices submitted. Albuquerque Public Schools reserves the right to make award(s) within (90) days after the date of bid opening unless bidder distinctly specifies that acceptance must be within a shorter time.

Time of delivery may be a consideration in bid award(s) and shall be defined as the number of calendar days following receipt of the order, either verbally or in writing until receipt of materials, supplies or services by APS.

Packing, Shipping and Invoicing

Bidder agrees to deliver all item(s) inclusive of all cost, insurance, freight, drayage, express or other charges. Title to materials or supplies shall pass directly from bidder to APS at the F.O.B. point shown, subject to the right of APS to reject upon inspection. All bids must be F.O.B. destination.

The purchase order number, vendor's name and user's name and location shall be shown on each packing and delivery ticket, pack-age, bill of lading and any other correspondence in connection with any shipment. The user's count will be accepted by the Seller as final and conclusive on all shipments not accompanied by a packing list. All invoices shall reference the order number, description of supplies or services, quantities, unit prices and extended totals. Separate invoices are required for each shipment.

Bidder shall be paid upon submission of acceptable invoices for materials, supplies or services delivered and accepted. Invoices must be accompanied by transportation receipts or facsimiles, if transportation is payable and charged as a separate item.

Patent Indemnity

Seller shall pay all royalty and license fee(s) relating to the item(s) covered hereby. In the event any third party shall claim the manufacture, use and sale of goods covered hereby to be infringement of any copyright, trademark or patent, Seller shall indemnify and hold APS harmless from any cost, expense, damage or loss incurred in any manner by APS because of any such alleged infringement.

Warranties

Materials, supplies or services furnished under this order shall be covered by the most favorable commercial warranties the Seller gives to any customer for the same or substantially similar materials, supplies or services. The rights and remedies provided herein shall extend to APS and are in addition to and do not limit any rights afforded to APS by any other clause of this order. Seller agrees not to disclaim warranties of fitness for a particular purpose or merchantability.

Inspection

ELECTRIC MOTOR REPAIR/RECONDITION/REWIND SERVICE

13-031LJ-AM

Materials, supplies or services shall be furnished exactly as specified, free from all defects in workmanship, materials, and design. Final inspection and acceptance will be made at the destination. If, prior to final acceptance, any item(s) or service(s) are found to be defective or not as specified, APS may reject them, require the Seller to correct without charge or require delivery at a reduction in price which is equitable under the circumstances. If Seller is unable or refuses to correct such item(s) within a time deemed reasonable by APS, APS may terminate the order in whole or in part. Seller shall bear all risks as to rejected materials, supplies or services and, in addition to any other costs for which the Seller may become liable to APS under other provisions in these terms and conditions, shall reimburse APS for all transportation costs, other related costs incurred, or payments to Seller for unaccepted materials, supplies and services. Notwithstanding final acceptance and payment, Seller shall be liable for latent defects, fraud or such gross mistakes as amount to fraud. Any test programs and procedures required by the specifications are in addition to, and do not limit, APS rights provided in this section.

Assignment

Neither the order nor any interest therein, nor claim thereunder shall be assigned or transferred by the Seller except as authorized in writing by APS. No assignment or transfer shall relieve the Seller from its obligations and liabilities.

Non-discrimination

Sellers doing business with APS must be in compliance with Federal Civil Rights Act of 1964 and Title VII of the Act. Rev. 1979.

Changes

APS may make changes within the general scope of this order by giving notice to the Seller and subsequently confirming such changes in writing. If such changes affect the cost and/or the time required for performance of this order, an equitable adjustment in the price or delivery or both shall be made. No change by the Seller shall be recognized without written approval of APS. Any claim of Seller for any adjustment must be made in writing within thirty (30) days from date of receipt by Seller of notification of such change unless APS shall waive this condition. Nothing in this section shall excuse Seller from proceeding with performance of the order as changed hereunder.

Kickback Statement

The Procurement Code, Sections 13-1-21 through 13-1-199 NMSA 1978, imposes civil and criminal penalties for this violation. In addition, New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities and kick-backs.

Termination

APS may, by written notice stating the extent and effective date, terminate this order for convenience in whole or in part, at any time. APS shall pay Seller as full compensation for performance until such termination (1) the unit or prorata order price for the delivered and accepted portion; and (2) a reasonable amount, not otherwise recoverable from other sources by Seller as approved by APS with respect to the undelivered or unaccepted portion of the order; provided compensation shall in no event exceed the total order price.

APS may by written notice terminate this order for Seller's default in whole or in part, at anytime, if Seller refuses or fails to comply, with the provisions of this order, or so fails to make progress as to endanger performance and does not cure such failure within a reasonable period of time, or fails to make deliveries of the item(s) or service(s) or to perform the service(s) within the time specified or any written extension thereof. In such event, APS may purchase or otherwise secure item(s) or service(s) and except as may be otherwise provided, Seller shall be liable to APS for any excess costs occasioned thereby.

If after notice of termination for default, APS determines that the Seller was not in default or that the failure to perform was due to causes beyond the control and without the fault or negligence of the Seller, termination shall be deemed for the convenience of APS, unless APS shall determine that the item(s) or service(s) were obtainable from other sources in sufficient time to meet required delivery schedule.

If APS determines that Seller has been delayed due to causes beyond the control and without the fault and negligence of the Seller, APS may extend the time for completion when promptly applied for in writing by the Seller. If such delay is due to failure of APS, not caused or contributed to by Seller, to perform services or deliver property in accordance with the terms of the order, the time and price of order shall be subject to change under the Changes section. Sole remedy of Seller in event of delay by failure of APS to perform shall be limited to any money actually and necessarily expended in the work during the period of delay, solely by reason of delay. No allowance will be made for anticipated profits. 'Seller' is defined as the Seller and his subsuppliers at any tier.

Contingency

Seller warrants that no person or selling agency has been employed or retained to solicit or secure this order upon an agreement or understanding for a commission, percentage, brokerage or contingent fee excepting bona-fide employees or bona-fide established commercial or selling agencies maintained or utilized by Seller for the purpose of securing business. For violation or breach of this warranty, APS shall have the right to annul this order without liability or, at its discretion, to deduct from this order price or consideration or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

Other Applicable Laws

Any provisions required being included in a contract of this type by any applicable and valid executive order, federal, state or local law, ordinance, rule or regulation shall be deemed to be incorporated herein.

Non-Collusion

The undersigned certifies that he or she has not either directly or indirectly entered into any action in restraint of free competitive bidding in connection with this solicitation and agrees to furnish the materials, supplies or services as required within the time specified under the conditions imposed and at the price indicated.
