ALBUQUERQUE PUBLIC SCHOOLS (APS) GENERAL TERMS AND CONDITIONS

1. INSPECTION. The materials, supplies or services furnished shall be exactly as specified in this order, free from defects in Seller's design, workmanship and materials, and, except as otherwise provided in this order, shall be subject to inspection and test by APS at all times and places. If, prior to final acceptance, any materials, supplies or services are found to be defective or not as specified, APS may reject them, require Seller to correct them without charge, or require delivery of such materials, supplies, or services at a reduction in price which is equitable under the circumstances. If Seller is unable or refuses to correct such defects within a time deemed reasonable by APS, APS may terminate the order in whole or in part. Seller shall bear all risks as to rejected materials, supplies and services and, in addition to any other costs for which Seller may become liable to APS under other provisions of this order, shall reimburse APS for all transportation costs, other related costs incurred, or payments to Seller in accordance with the terms of this order for unaccepted materials, supplies and services. Notwithstanding final acceptance and payment, Seller shall be liable for latent defects, fraud or such gross mistakes as amount to fraud. Any test programs and procedures required by the specifications are in addition to, and do not limit, APS's rights provided in this Paragraph.

2. WARRANTIES. Seller warrants the materials, supplies or services furnished to be exactly as specified in this order, free from defects in Seller's design, labor, materials and manufacture, and to be in compliance with any drawings or specifications incorporated herein and with any samples furnished by Seller. All applicable UGC warranties, express or implied are incorporated herein.

3. ASSIGNMENT. Neither the order nor any interest therein, nor claim thereunder shall be assigned or transferred by the Seller except as authorized in writing by APS. No assignment or transfer shall relieve the Seller from its obligations and liabilities.

4. CHANGES. APS may make changes within the general scope of this order by giving notice to Seller and subsequently confirming such changes in writing. If such changes affect the cost of, or the time required for performance of this order, an appropriate equitable adjustment shall be made. No change by Seller shall be recognized without written approval of APS. Any claim of Seller for an adjustment under this Paragraph must be made in writing within thirty (30) days from the date of receipt by Seller of notification of such change unless APS waives this condition. Nothing in this Paragraph shall excuse Seller from proceeding with performance of the order as changed hereunder.

5. LABOR DISPUTES. Seller shall give prompt notice to APS of any actual or potential labor dispute which delays or may delay timely performance of this order.

6. TERMINATION AND DELAYS. APS may by written notice stating the extent and effective date, terminate this order for convenience in whole or in part, at any time. APS shall pay Seller as full compensation for performance until such termination: (1) the unit or pro rata order price for the delivered and accepted portion; and (2) a reasonable amount, not otherwise recoverable from other sources by Seller as approved by APS with respect to the undelivered or unaccepted portion of this order; provided compensation hereunder shall in no event exceed the total order price. Such amount will be limited to the Seller's actual cost and shall not include anticipated profits. APS may by written notice terminate this order for Seller's default, in whole or in part, at any time, if Seller refuses or fails to comply with the provisions of this order, or so fails to make progress as to endanger performance and does not cure such failure within a reasonable period of time, or fails to make deliveries of the items or services or to perform the services within the time specified or any written extension thereof. In such event, APS may purchase or otherwise secure items or services and, except as otherwise provided herein, Seller shall be liable to APS for any excess costs occasioned APS thereby, including incidental and consequential damages.

If, after notice of termination for default, APS determines that the Seller was not in default or that the failure to perform this order is due to causes beyond the control and without the fault or negligence of Seller (including, but not restricted to, acts of God or of the public enemy, acts of APS, acts of Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather, and delays of a subcontractor or supplier due to such causes and without the fault or negligence of the subcontractor or supplier), termination shall be deemed for the convenience of APS, unless it shall be determined that the items or services covered by this order were obtainable from other sources in sufficient time to meet the required delivery schedule.

If APS determines that Seller has been delayed in the work due to causes beyond the control and without the fault and negligence of the Seller, APS may extend the time for completion of the work called for by this order, when promptly applied for in writing by the Seller; and if such delay is due to failure of APS, not caused or contributed by Seller, to perform services or deliver property in accordance with the terms of the order, the time and price of the order shall be subject to change under the Changes Paragraph. Sole remedy of Seller in event of delay by failure of APS to perform shall, however, be limited to any money actually and necessarily expended in the work during the period of delay, solely by reason of delay. No allowance will be made for anticipated profits.

The rights and remedies of APS provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this order. As used in this Paragraph, the word "Seller" includes Seller and its sub-suppliers at any tier.

7. AFFIRMATIVE ACTION. Seller shall not maintain or provide racially segregated facilities for employees at any establishment under his control. Seller agrees to adhere to the principle set forth in Executive Order 11246 and 11375, and to undertake specifically to maintain employment policies and practices that affirmatively promote equality of opportunity for minority group persons and women; to take affirmative steps to hire and promote women and minority group persons at all job levels and in all aspects of employment; to communicate this policy effectively to all persons concerned within Seller's company, with outside recruiting services and the minority community at large; to provide APS on request a breakdown of its labor force by ethnic group, sex, and job category; and to discuss with APS its policies and practices relating to its affirmative action program.

8. INDEMNIFICATION AND INSURANCE. Seller assumes the entire responsibility and liability for losses, expenses, damages, demands and claims in connection with or arising out of any actual or alleged personal injury (including death) and/or damage or destruction to property sustained or alleged to have been sustained in connection with or arising out of the performances of the work by Seller, its agents, employees, subcontractors or consultants, except to the extent of liability arising out of the negligent performance of the work by or willful misconduct of APS. Seller shall indemnify and hold harmless APS, its officers, agents, and employees from any and all liability for such losses, expenses, damages, demands, and claims and shall defend any suit or action brought against any or all of them based on any actual or alleged personal injury or damage and shall pay any damage costs and expenses including attorneys' fees, in connection with or resulting from such suit or action.

Seller agrees that it and its subcontractors will maintain public liability and property damage insurance in reasonable amounts covering the above obligation and will maintain workers' compensation coverage covering all employees performing this order on premises occupied by or under the control of APS.

9. PATENT AND COPYRIGHT INDEMNITY. Seller shall pay all royalty and license fees relating to deliverables and other items covered hereby. In the event any third party shall claim that the reproduction, manufacture, use or sale of goods or items covered hereby infringes any copyright, trademark, patent, or other intellectual property rights, Seller shall indemnify and hold APS harmless from any cost, expense, damage, or loss resulting therefrom.

10. DISCOUNTS. APS will take advantage of prompt payment discounts whenever possible; however these will not be used as a means to determine the low responsive and responsible bidder. Any discount period will not begin until the materials, supplies or services have been received and accepted and a correct invoice submitted for payment. If testing is required, discount period will not begin until such tests are satisfactorily completed.

11. CONTINGENCY FEES. Seller warrants that no person or selling agency has been employed or retained to solicit or secure this order upon an agreement or understanding for a commission, percentage, brokerage or contingent fee excepting bona-fide employees or bona-fide established commercial or selling agencies maintained or utilized by Seller for the purpose of securing business. For violation or breach of this warranty, APS shall have the right to annul this order without liability or, at its discretion, to deduct from this order, price or consideration or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

12. PENALTIES. The New Mexico Procurement Code (NMSA 1978) imposes civil and criminal penalties for its violation. In addition, New Mexico criminal statutes impose penalties for bribes, gratuities and kickbacks.

13. TITLE AND DELIVERY. Title to the materials and supplies passed hereunder shall pass to APS at the F.O.B. point specified subject to the right of APS to reject upon inspection. For any exception to the delivery date specified, Seller shall give prior notification and obtain approval thereto from APS's Purchasing Department. Order is subject to termination for failure to make timely delivery.

14. TAX STATUS. APS holds a Class 9 Nontaxable Transaction Certificate and is exempt from payment of tax on the purchase of tangible personal property. This certificate will be issued upon request. It is not valid for the purchase of services including construction, or materials that become part of a construction project or for the lease of property. Seller is responsible for payment of all applicable taxes, which will be added to invoice as a separate item at the current rate.

15. APPLICABLE LAWS. If this order is a subcontract under a U.S. Government Prime Contract, applicable clauses of the Federal Acquisition Regulations are incorporated herein by reference. Any provision required to be included in a contract of this type by any applicable and valid Executive Order, federal, state or local law, ordinance, rule or regulation also shall be deemed to be incorporated herein. Any contract or litigation resulting from acceptance of this purchase order will be construed according to the laws of the State of New Mexico unless otherwise stated.

**STATE OF NEW MEXICO
AUDIT CONTRACT**

(Schools)

Albuquerque Public Schools

hereinafter referred to as the "Agency," and

CliftonLarsonAllen LLP

hereinafter referred to as the "Contractor," agree:

As required by the Audit Rule, NMAC Section 2.2.2.1 et seq., Contractor agrees to, and shall, inform the Agency of any restriction placed on Contractor by the Office of the State Auditor pursuant to NMAC Section 2.2.2.8, and whether the Contractor is eligible to enter into this Contract despite the restriction.

1. SCOPE OF WORK (Include in Paragraph 25 any expansion of scope)

A. The Contractor shall conduct a financial and compliance audit of the following applicable statements and schedules of the Agency for Fiscal Year 2016:

1. Basic Financial Statements consisting of the government-wide financial statements, fund financial statements, budgetary comparison statements for the general fund and major special revenue funds (GASB 34, footnote 53), and the notes to the financial statements;
2. Required supplemental information (RSI), if applicable, consisting of budgetary comparison schedules for the general fund and major special revenue fund data presented on a fund, organization, or program structure basis because the budgetary information is not available on the GAAP fund structure basis for those funds (*GASB Statement No. 41, Budgetary Comparison Schedules- Perspective Differences an amendment of GASB Statement No. 34*) must be audited and included in the auditor's opinion (AAG-SLV 15.65);
3. Supplemental Information (SI) that must be audited and included in the auditor's opinion (AAG-SLV 15.65), if applicable, consisting of:
 - a. Component unit fund financial statements and related combining statements (if there are no separately issued financial statements on the component unit per AAG-SLV 3.22);
 - b. Combining financial statements;
 - c. Individual fund budget comparison statements for remaining funds that have an adopted budget, including proprietary funds, that did not appear as basic financial statement budget comparisons for the general fund, major special revenue funds or as RSI as described above; and
 - d. Remaining supplemental information on schedules as required by NMAC Section 2.2.2.10.A(2)(f).

B. The contractor shall apply certain limited procedures to the following required supplemental information (RSI), if applicable, and report deficiencies in or the omission of required information in accordance with the requirements of AU-C 730.05 to 730.09:

1. The Management Discussion and Analysis (MD&A);
2. RSI data required by Statements 25, 27, 43, 45, 67 and 68 regarding pension plans and post-employment healthcare plans

administered by defined benefit pension plans; and

3. Schedules derived from asset management systems (GASB 34, paragraphs 132 to 133).

- C. The audit shall be conducted in accordance with auditing standards generally accepted in the United States of America, *Government Auditing Standards, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and *Requirements for Contracting and Conducting Governmental Audits* (NMAC Section 2.2.2.1, et seq.).

If a 501(c)(3) component unit organization had a gross annual income in excess of \$250,000, Section 6-5A-4, NMSA 1978 requires that entity to be audited regardless of materiality.

2. **DELIVERY AND REPRODUCTION**

 2. a copy of the signed management representation letter provided to the IPA by the Agency as required by AU-C580; and
 3. a copy of the completed State Auditor Report Review Guide available at www.osa.nm.org;
- B. Reports postmarked by the Agency's due date will be considered received by the due date for purposes of NMAC Section 2.2.2.9. Unfinished or excessively deficient reports will not satisfy this requirement; such reports will be rejected and returned to the Contractor and the State Auditor may take action in accordance with NMAC Section 2.2.2.13.C. If the State Auditor does not receive copies of the engagement letter, management representation letter, and the completed Report Review Guide with the audit report or prior to submittal of the audit report, the State Auditor will not consider the report submitted to the State Auditor.
- C. As soon as the Contractor becomes aware that circumstances exist that will make the Agency's audit report late, the Contractor shall immediately provide written notification of the situation to the State Auditor. The notification shall include an explanation regarding why the audit report will be late, when the IPA expects to submit the report and a concurring signature by the Agency. The State Auditor shall also notify the Agency's oversight agency, but confidential information shall be omitted from that notification.
- D. Pursuant to NMAC Section 2.2.2.8.R, the Contractor shall prepare a written and dated engagement letter that identifies the specific responsibilities of the Contractor and the Agency.
- E. After its review of the audit report pursuant to NMAC Section 2.2.2.13, the State Auditor shall authorize the Contractor to print and submit the final audit report. Within five business days from the date of the authorization to print and submit the final audit report, the Contractor shall provide the State Auditor with **TWO** copies of the report, an electronic version of the audit report, in PDF format, and the electronic copy of the Excel version of the Summary of Findings Form, Vendor Schedule and Fund Balances. After the State Auditor officially releases the audit report by issuance of a release letter, the Contractor shall deliver **10** copies of the audit report to the Agency. The Agency or IPA shall ensure that every member of the Agency's governing authority shall receive a copy of the report.

The Agency, upon delivery of its audit report, shall submit to the Federal Audit Clearinghouse (FAC) the completed data collection form and the reporting package described in § 200.512 of Uniform Guidance for Federal Awards. The submission is required to be made within 30 calendar days of receipt of the auditor's report, or nine months after the end of the audit period.

3. **COMPENSATION**

- A. The total amount payable by the Agency to the Contractor under this Contract, including New Mexico gross receipts tax and expenses, shall not exceed **\$433,305.47**.
- B. Contractor agrees not to, and shall not, perform any services in furtherance of this Contract prior to approval by the State Auditor. In accordance with Section 12-6-14(A), NMSA 1978, and NMAC Section 2.2.2.8.O(1), Contractor acknowledges and agrees that it will not be entitled to payment or compensation for any services performed by Contractor pursuant to this Contract prior to approval by the State Auditor.

- E. Pursuant to Section 12-6-14, NMSA 1978 and NMAC Section 2.2.2.8, the State Auditor may authorize progress payments to the Contractor by the Agency; provided that the authorization is based upon evidence of the percentage of audit work completed as of the date of the request for partial payment. Progress payments up to 70% do not require State Auditor approval, provided that the Agency certifies receipt of services. The Agency must monitor audit progress and make progress payments only up to the percentage that the audit is completed prior to making such payment. Progress payments of 70% or more but less than or equal to 90% require State Auditor approval after being approved by the Agency. If requested by the State Auditor, the Agency shall provide a copy of the approved progress billings. The State Auditor may allow only the first 50% of progress payments to be made without State Auditor approval if the Contractor's previous audits were submitted after the due date. Final payment for services rendered by the Contractor shall not be made until a determination and written finding is made by the State Auditor in the release letter that the audit has been made in a competent manner in accordance with the provisions of this Contract and applicable rules of the State Auditor.

4. **TERM.** THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE STATE AUDITOR. Unless terminated pursuant to Paragraphs 5 or 19, this Contract shall terminate one calendar year after the latest date on which it is signed.

5. **TERMINATION, BREACH AND REMEDIES**

- A. This Contract may be terminated:
1. By either party without cause, upon written notice delivered to the other party and the State Auditor at least ten (10) days prior to the intended date of termination.
 2. By either party, immediately upon written notice delivered to the other party and the State Auditor, if a material breach of any of the terms of this Contract occurs. Unjustified failure to deliver the report in accordance with Paragraph 2 shall constitute a material breach of this Contract.
 3. By the Agency pursuant to Paragraph 19, immediately upon written notice to the Contractor and the State Auditor.
 4. By the State Auditor, immediately upon written notice to the Contractor and the Agency after determining that the audit has been unduly delayed, or for any other reason.
- B. By termination, neither party may nullify obligations already incurred for performance or failure to perform prior to the date of termination. If the Agency or the State Auditor terminates this Contract, the Contractor shall be entitled to compensation for work performed prior to termination in the amount of earned, but not yet paid, progress payments, if any, that the State Auditor has authorized to the extent required by Paragraph 3(E). If the Contractor terminates this Contract for any reason other than Agency's breach of this Contract, the Contractor shall repay to the Agency the full amount of any progress payments for work performed under the terms of this Contract.
- C. Pursuant to NMAC Section 2.2.2.8, the State Auditor may disqualify the Contractor from eligibility to contract for audit services with the State of New Mexico if the Contractor knowingly makes false statements, false assurances or false disclosures under this Contract. The State Auditor on behalf of the Agency or the Agency may bring a civil action for damages or any other relief against a Contractor for a material breach of this Contract.

D. **THE REMEDIES HEREIN ARE NOT EXCLUSIVE, AND NOTHING IN THIS SECTION 5 WAIVES OTHER LEGAL RIGHTS AND REMEDIES OF THE PARTIES.**

6. **STATUS OF CONTRACTOR**

The Contractor and its agents and employees are independent contractors performing professional services for the Agency and are not

employees of the Agency. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of state vehicles or any other benefits afforded to employees of the Agency as a result of this Contract. The Contractor agrees not to purport to bind the State of New Mexico to any obligation not assumed under this Contract unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

7. ASSIGNMENT

The Contractor shall not assign or transfer any interest in this Contract or assign any claims for money due or to become due under this Contract.

8. SUBCONTRACTING

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of the Agency and the State Auditor. An agreement between the Contractor and a subcontractor to subcontract any portion of the services under this Contract shall be completed on a form prescribed by the State Auditor. The agreement shall be an amendment to this Contract and shall specify the portion of the audit services to be performed by the subcontractor, how the responsibility for the audit will be shared between the Contractor and the subcontractor, the party responsible for signing the audit report and the method by which the subcontractor will be paid. Pursuant to NMAC Section 2.2.2.8, the Contractor may subcontract only with independent public accounting firms that are on the State Auditor's List of Approved Firms, and that are not otherwise restricted by the Office from entering into such a contract.

9. RECORDS

The Contractor shall maintain detailed time records that indicate the date, time, and nature of services rendered during the term of this Contract. The Contractor shall retain the records for a period of at least five (5) years after the date of final payment under this contract. The records shall be subject to inspection by the Agency and the State Auditor. The Agency and the State Auditor shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the Agency or the State Auditor on behalf of the Agency to recover excessive or illegal payments.

10. RELEASE

The Contractor, upon receiving final payment of the amounts due under the Contract, releases the State Auditor, the Agency, their respective officers and employees and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Contract. This paragraph does not release the Contractor from any liabilities, claims or obligations whatsoever arising from or under this Contract.

11. CONFIDENTIALITY

All information provided to or developed by the Contractor from any source whatsoever in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor, except in accordance with this Contract or applicable standards, without the prior written approval of the Agency and the State Auditor.

12. PRODUCT OF SERVICES; COPYRIGHT AND REPORT USE

Nothing developed or produced, in whole or in part, by the Contractor under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. The Agency and the State Auditor may post an audited financial statement on their respective websites once it is publicly released by the State Auditor.

13. CONFLICT OF INTEREST

The Contractor represents and warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under this Contract. Each of the Contractor and the Agency certifies that it has followed the requirements of the Governmental Conduct Act, Section 10-16-1, et seq., NMSA 1978, regarding contracting with a public officer, state employee or former state employee, as required by the applicable professional standards.

14. INDEPENDENCE

The Contractor represents and warrants its personal, external and organizational independence from the Agency in accordance with the *Government Auditing Standards 2011 Revision*, issued by the Comptroller General of the United States, and NMAC Section 2.2.2.8. The Contractor shall immediately notify the State Auditor and the Agency in writing if any impairment to the Contractor's independence occurs or may occur during the period of this Contract.

15. AMENDMENT

This Contract shall not be altered, changed or amended except by prior written agreement of the parties and with the prior written approval of the State Auditor. Any amendments to this Contract shall comply with the Procurement Code, Sections 13-1-28 through 13-1-199, NMSA

16. MERGER

This Contract supersedes all of the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof. No prior agreement or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Contract. Contractor and Agency shall enter into and execute an engagement letter pursuant to NMAC Section 2.2.2.8, consistent with Generally Accepted Auditing Standards (GAAS) and Government Auditing Standards (GAGAS). **The engagement letter and any associated documentation included with or referenced in the engagement letter shall not be interpreted to amend this Contract. Conflicts between the engagement letter and this Contract are governed by this Contract, and shall be resolved accordingly.**

17. APPLICABLE LAW

The laws of the State of New Mexico shall govern this Contract. By execution of this Contract, Contractor irrevocably consents to the exclusive personal jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising from or related to this Contract.

18. AGENCY BOOKS AND RECORDS

The Agency is responsible for maintaining control of all books and records at all times and the Contractor shall not remove any books and records from the Agency's possession for any reason.

19. APPROPRIATIONS

The terms of this Contract are contingent upon sufficient appropriations and authorization being made by the legislature or the Agency's governing body for the performance of this Contract. If sufficient appropriations and authorization are not made by the legislature or the Agency's governing body, this Contract shall terminate upon written notice being given by the Agency to the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. This section of the Contract does not supersede the Agency's requirement to have an annual audit pursuant to Section 12-6-3(A) NMSA 1978.

20. PENALTIES FOR VIOLATION OF LAW

The Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

21. EQUAL OPPORTUNITY COMPLIANCE

The Contractor shall abide by all federal and state laws, rules and regulations, and executive orders of the Governor of the State of New Mexico pertaining to equal employment opportunity. In accordance with all such laws, rules, regulations and orders, the Contractor assures that no person in the United States shall, on the grounds of race, age, religion, color, national origin, ancestry, sex, physical or mental handicap or serious medical condition, spousal affiliation, sexual orientation or gender identity be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If the Contractor is found not to be in compliance with these requirements during the life of this Contract, the Contractor shall take appropriate steps to correct these deficiencies.

22. WORKING PAPERS

A. The Contractor shall retain its working papers of the Agency's audit conducted pursuant to this Contract for a period of at least five (5) years after the date shown on the opinion letter of the audit report, or longer if requested by the federal cognizant agency for audit, oversight agency for audit, pass through-entity or the State Auditor. The State Auditor shall have access to the working papers at the State Auditor's discretion. When requested by the State Auditor, the Contractor shall deliver the original or clear, legible copies of all working papers to the requesting entity.

B. The Contractor should follow the guidance of AU-C 210 A.27 to A.31 and AU-C 510 .A3 to .A9 in communications with the predecessor auditor and to obtain information from the predecessor auditor's audit documentation.

23. DESIGNATED ON-SITE STAFF

The Contractor's on-site individual auditor responsible for supervision of work and completion of the audit is **Matthew Bone**. The Contractor shall notify the Agency and the State Auditor in writing of any changes in staff assigned to perform the audit.

24. INVALID TERM OR CONDITION

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected.
