For a customer to see his/her contractual pricing on the web, follow these steps:

**Steps**

- 1> Customer's school site will be afforded his/her SAP (SW System) shipping account number.
- 2> Customer's contract terms must be loaded with the SAP shipping account number (SW Action).
- 3> Customer would then set up a web profile with his/her SAP shipping account number associated with their contract terms from Sargent Welch.
- 4> When Customer visits the site he/she would log in and then the pricing associated with their contract terms (discounts) will be deployed and will be observable.
- 5> Purchase!!!
