SECTION 4: Description of unique specifications, exclusive, one of a kind characteristic of commodity/service

Gen YES is a research based program that teaches students to effectively utilize and trouble shoot technology. This program has a 16 year track record and is one of the most research based education technology models in the U.S. GenYES will help APS provide cost-effective professional development while helping provide a higher level of tech support, and reducing tech support costs.

SECTION 5: Sole Source Considerations (Check applicable considerations)

- Vendor is the sole manufacturer and sole distributor. (Attach applicable documents)
Exclusive Rights: Item or service under patent or copyright held by a single vendor and item or service possesses functions or capabilities critical to use. (Attach patent/copyright info.)
Exclusive Design: Item or service possesses a unique function or capability critical in the use of the item or service and not available from any other sources. (Explain below.)
Replacement or Compatibility of Existing Equipment: The purchase is for equipment associated with use of existing equipment where compatibility is essential for integrity of results. (Provide Manufacture and Model Number of Existing Equipment)
Federal or state appropriation names vendor as condition of funding. (Attach copy of Grant that names vendor.)
Renewal of support/maintenance/subscription of software, technology, or other intellectual property. (Explain below.)
Other (Explain below)

Explanation:

GenYES is currently a one-of-its-kind education technology program. Not only does GenYES boast the longest history of success in working with schools and districts on both national and international levels, but has been found to help provide timely professional development and tech support that will allow APS to provide a higher level of service to the APS community, while also helping to maximize return on investment with respect to education technology.
