### CITY CENTER FLEET POOL DRIVER APPLICATION/CHECKLIST

#### INSTRUCTIONS:

City Center employees must request permission to operate Fleet Pool Vehicles.

1. City Center employees must submit written application form to their supervisor, certifying they will use the vehicle for official business only and will comply with all applicable State laws, local ordinances, district policies and procedures at all times.
2. The employee's supervisor/manager must approve the application, certifying that they authorize the employee to operate an APS vehicle and that they have provided the employee training in the driving requirements specified in Procedural *Directive District Owned Vehicles* and the APS Employee Handbook.
3. The employee must take and pass the APS Driver Safety training program. Upon successful completion of the course quiz, the employee must take the quiz and their New Mexico driver's license to the Risk Management Department located at the Montgomery Complex to be issued an APS driver's permit.
4. The employee must then take their APS driver's permit to M&O Fleet Management to be added to the master list of APS drivers
5. The employee must then take the completed form to APS School Police to be added to the City Center list of authorized drivers.
