The purpose of this letter is to inform you that Albuquerque Public Schools (APS) is currently operating under a corrective action plan due to a New Mexico Public Education Department (NMPED) complaint investigation. The investigation identified non-compliance with the Individuals with Disabilities Education Act (IDEA) provisions related to the identification and evaluation of students with disabilities.

If you are the parent of a child, living within the attendance boundaries of Albuquerque Public Schools, and you have concerns or suspect that your child may have a disability and may be eligible for special education or related services, please contact us at:
