

APS Teacher Summer Tech Camp!

Where: Nex Gen High School

Dates: June 8th – June 12th

Times: 8:30 – 3:30

APS in partnership with Technology Integration Group (TIG), Microsoft, Promethean, Apple and Discovery Ed, will be hosting a Summer Tech Camp.....FOR TEACHERS! Teachers will apply in pairs, using the forms below and each will be paid a \$100 stipend, provided by TIG and APS Technology department, if they commit AND attend the whole week. The content and agenda of the week will include learning new digital strategies, integration of technology into daily teaching, make-and-take digital lessons or projects that can be used in the new school year. Selected applicants will be notified no later than May 1st if they have been selected to attend. Those selected pairs will have an opportunity to contribute to the agenda content for the week so that this work targets specific needs of the campers and their classrooms.

Teacher pairs:

- Must work at the same school
- Can be in different grades/departments
- Must have an opportunity to collaborate during the school year on their work to integrate technology into their classrooms.
- Must have access to: a laptop *and* to one or more of the following devices....iPad/tablet, Promethean Board/Smartboard, digital camera, ActiVote/ActivExpressions clickers.
- Must have the support of their principal/assistant principal and access to devices over the summer in order to attend.
- Can be at any phase in the learning process regarding technology, from beginner to more advanced user.

Applications are due to Jami Jacobson in the APS Curriculum and Instruction Office or by email at Jacobson_j@aps.edu, no later than 4:00pm on April 24th, 2015.

There is no cost to teachers for the Summer Tech Camp, however, campers will need to bring their own lunch/snacks.
