Reset Go

<https://MyBusStop.aps.edu>, provides the ability to locate bus stops associated with a student's home address.

Enter your address and grade.

Select "Go", there is no need to select a "Program"

Once "Go" is selected a list of schools that have bus stops in the location entered will be presented select the school then select details. Details regarding the location selected will be presented, select "Show stops near me" and the stop locations for your selected school will be shown on the map as well as in a list. When the stop number is selected the map will zoom into that location.
